Czech Tours & Travel Difference

What sets us apart from ordinary travel agencies or tour companies is our work based on years of experience, up-to-date extensive knowledge of all areas in the country, professional expertise, knowledge, and commitment to designing and **operating the best quality tours ourselves**, rather than contracting second-party land operators which may give us an opportunity for flexible adjustments to meet your needs. Based in Lincoln, Nebraska, **Czech Tours & Travel** is a **Tour Operator** specializing in travel to the **Czech Republic** that has been serving its clients since 1995. The owner - a **Czech native, born and raised in Prague (Praha)**, is focused on designing a **"better way to tour"**. We can arrange a private driver for travel enthusiasts and those searching for their Czech ancestry.

OUR EXCLUSIVE: We specialize in finding living relatives

in the Czech Republic when we take you on your Private Tour. The research of finding living relatives is free of charge*. No other travel agencies can provide you with this unique service. You may have about 98% success to reunite with them. They may give you more information than you are looking for.

*With a minimum of 6 people and 9 or more days stay.

• Based on the information & documents provided by you.

Our proven accomplishment:

10 Tour members meeting 17 Czech relatives.

First Czech family reunion in 150 years!

We arranged it and made it happen!

We have the reputation of finding living relatives based on little information received from a picture postcard mailed to America in 1914!

Get your family or friends together, set YOUR date & pick ANY places you would like to visit for:

- More family research • Visiting your ancestral village or relatives • We can arrange for you a driver who will take you there including an interpreter who helps you along the way • You'll visit with your relatives • Tour your ancestral village, church & cemetery and all the sites you wish or may be interested in. • Family reunions, shopping sprees, or any other activities of your interest.
- We will make your trip to be authentic, creative, and, most of all, memorable.

We may "SPICE UP" your program with*:

- Brass band concerts • Folklore and Ethnic festivals • Opera or ballet • Brewery or wine tasting tours • Castle/Chateau and Cathedral tours • Crystal Glass or Porcelain factory tours • Folklore shows • Cruises on the Vltava River & much more.

* Some programs are seasonable and available only during specific times and locations.

We speak the language and know our way around - we were born there. We have a large network of providers and contacts to the right people in the right places and up-to-date extensive knowledge of all areas in the CZECH REPUBLIC - that's our SPECIALTY.

- We'll design your vacation to meet your special needs and budget with a complete land tour package. This includes accommodations, land transfers, reservations for visiting various historical sites/places, cultural events, and more. Any element can be tailored - destinations, activities, length, hotels - 3* or better. We put in all the effort to show you the best of the country which goes well beyond the tours of the well-known monuments. • Day trips out of the country such as Vienna - Austria, Nürnberg - Germany, Krakow - Poland, and Bratislava - Slovakia are also available.

Flight arrangements or Travel insurance are available upon request at the time of booking.

We create quality vacations that will exceed your expectation
