• Hi, Peter. The trip was absolutely amazing. I've traveled internationally quite a bit, and my mom has been to the Czech Republic 12 times, and we both agree **this was the most incredible trip** we have ever had!! It was truly spectacular. **The driver was wonderful!** He really went above and beyond. He was incredibly helpful, kind, and knowledgeable, we really enjoyed his company. It really couldn't have been better. **We already had high expectations, but you absolutely exceeded them.** You truly have a talent for this work!
